## CLUB HOTEL

### **Gipsy carriage programme – 2017 – Club Hotel Sarlóspuszta**

#### **Through the plain by gipsy carriage**

Great experience for the whole family! Leave your elegant and fancy clothes at home if you want to make your journey by gipsy carriage. Bring your jeans and jumper with you, forget your ordinary, everyday life and change your home into a gipsy carriage so you can travel around in the lovely countryside. Travelling by gipsy carriage in the nature is a unique experience but you must be prepared to accept any inconvenience that might come with the nature such as / bugs, dust and dryness etc /.

The gipsy carriages are 4 metres long and 2,2 metres wide with tyres and are covered by an isolated, barrel-shaped roof. Inside the carriage you can find everything what you need for a rustic, gipsy life. Sleeping facilities for 4 people, there is also a bunk bed. The carriages are equipped with cupboards, little wardrobe, gas-cooker, sink, cooler bag with ice-accus, pots and pans, cutlery, bedding, camping table with chairs, water cans, also provided harness, as well as hay and rye for the horses.

The starting and arrival point of the tour is „Sarlóspuszta Club Hotel”. Instructions for caring, feeding the horses are given on the premise. Our colleague recommends you the best route and explains to you how to use the map.
